

New Monitors to Help Protect the Lake

On July 7, twenty-three Bay Lakers were trained to be boat monitors on our public boat ramp. Ruttger's hosted the event again and Bay Lake Marine provided the boat for the demonstrations.

Our volunteer group is now over 135 people. Few MN lakes have a volunteer monitor program as robust as ours, but we need more volunteers.

Protecting Bay Lake is up to us.

Newly Trained Volunteers:

Debra Flam, Don Hales, Marcus Johnson, Bobbie Keller, Linda and David Koblish, Diane Meyer, Dan Mulheran, Meredith and Jerry Poland, Donna Ramsay, Hale Ritchie, Mike Rose, Chris Ruttger, Joanie and Robert Scheffen, Ness and Jim Schumacher, MaryBeth Sorensen, Mike Wachter, Georgi Walsh, Stephanie and Greg Zurek

This season, we have a combination of DNR interns, volunteers, and paid workers manning the public ramp from 7am-6pm most every day. The next training will be Spring 2013.

Please contact Phil Rollins at 218-678-2898 or philfishing@gmail.com to participate.
