

Meet Minnesota Land Trust staff, board members, volunteers and landowners. Learn more about conservation easements and how they impact water quality and wildlife habitat.

This year's Treasured Places Celebration features family-friendly elements you won't want to miss! They include:

- Lakeshore activities such as hydro bikes, paddle boards & more
- Kids activities, including a fishing workshop
- High Ropes Course (12 years of age and older)
- Sailboat rides, nature hike and much more

We'll also have adult activities, or you could just plan to spend some time relaxing in one of the Adirondack chairs on the shoreline!
